

Earn Professional Development Hours in Nature at Sagawau Field Science Station

Hands-on field work with Forest Preserves of Cook County naturalists and NGSS guidance from Illinois Science Teachers Association will give you what you need to bring nature into your classroom and take your classroom outdoors. Register at <https://ilscience.org>.

Ornithology and Avian Behavior

Field work includes bird banding, house wren observations, ecology, behavior and wildlife sketching. Register by June 11.

Tuesday, June 18—Thursday, June 20
9:30 am—2:30 pm

Earth Science and Geology

Learn how to bring geology alive for students. We will visit a fossil quarry reserve, glacial features and Cook County's only rock canyon. Register by July 2.

Tuesday, July 9—Thursday, July 11
9:30 am—2:30 pm

Sagawau Field Science Station
12545 W 111th St, Lemont, IL 60439
